University of Pavia
Regional Celebration for the
European Research Council
10th anniversary
#ERCSpringEvents

8th and 22nd May 2017

Aula Magna

With the endorsement of:

Under the patronage of

Main sponsors

8th May 2017

I° Event: Let's Meet ERC Grant Holders @Unipv

Aula Magna, University of Pavia

Session 1 from 09.30 to 13.00

“Welcome of the Authorities”

09.30 Prof. Fabio Rugge Rector, University of Pavia

09.45 Prof. Roberto Bottinelli, Deputy Rector for Research, University of Pavia

10.00 Dott. Luca del Gobbo, Lombardy Regional Minister for Research

“The ERC: a Success Story for the EU”

10.30 Dr. Angela Liberatore, European Commission, Head of Unit Social Science and Humanities, ERCEA

“Sound Management: best practice”

11.00 Ms Caterina Visani, European Commission, Head of Sector Financial Operations, ERCEA

“Innovation requires frontier research”

11.30 Dr. Laura Pontiggia, European Commission, Policy Advisor, ERCEA

12.00 Questions and closing remarks

Session 2 from 14.30 to 18.30

Chairs: Prof. Silvia Giuliana Priori, Prof. Dario Mantovani, University of Pavia

Scientific facilitator: Dr. Ilaria Canobbio, University of Pavia

“ERC grant holders share their experience”

14.30 Talks given by invited ERC Grant Holders

Prof. Gianluigi Condorelli, Dept. of Cardiovascular Medicine, Humanitas

Prof. Davide Bigoni, Dept. of Civil Eng., University of Trento

Prof. Lourenco Beirao da Veiga, Dept. of Mathematics, University of Milan Bicocca

15.30 Official video presentations of the Unipv ERC Grant Holders

16.00 Open Round table with all the ERC Grant Holders

“ERC Grant Holders meet our students”

17.30 Public engagement event

18.30 Closing remarks

22nd May 2017

II° Event: ERC Chemistry Day

Aula Magna, University of Pavia

Session 1 from 09.30 to 12.30

“Welcome of the Authorities”

09.00 Prof. Fabio Rugge Rector, University of Pavia

09.15 Prof. Roberto Bottinelli, Deputy Rector for Research, University of Pavia

09.25 Representatives from Lombardy Region and Cariplo Foundation

“The Art of Building Small”

9.30 Open Lecture: Prof. Bernard L. Feringa, Rijksuniversiteit

“Light on Molecular Machines and Materials”

10.45 Prof. Alberto Credi, University of Bologna

“A Quantum Chemical Simulation of Stimuli-Responsive Nanomaterials for Biomedical Applications”

11.15 Prof. Cristiana Di Valentin, University of Milano Bicocca

“Organic Synthesis with Rearrangements: New Solutions for Synthesis”

11.45 Prof. Nuno Maulide, Universität Wien

Session 2 from 14.30 to 17.00

“Selectivity Control in C-H Activation”

14.30 Prof. Lutz Ackermann, Georg-August-Universität Göttingen

“A Toolbox of Hypervalent Iodine Reagents for Organic Synthesis”

15.00 Prof. Jerome Waser, École Polytechnique Fédérale de Lausanne

“Highly-Reactive Phosphorus Building Blocks – New Concepts in Synthesis “

15.45 Prof. Jan Weigand, Technische Universitäten Dresden

“A Road Covered with Gold”

16.15 Prof. Steve Nolan, Universiteit Gent

17.00 Closing remarks
